Destined to Burn: Living with fire in California | Local ...

Living With a Fire prompted mixed reactions, with varied sentiments echoed in reviews about the collection from critics within the CCM and contemporary worship music genres.. Mark Geil of CCM Magazine rated the album four stars out of five, describing the sound as "bright and modern," bemoaning the track length saying "some of them simply run too long," and concluded that the album is a ...

"I could not be happier. My boy is 7 years old, my daughter is 4, and they look forward to watching Living Scriptures all the time. They want to watch it more than Netflix. I'm just so grateful. When I put the kids to bed after watching a couple of episodes - the questions they ask - it just warms my heart...
